13 Orders were accordingly issued transferring the Sivasamudram road to P.W.D for maintenance and calling upon the ~~D.F.~~ Board of the French Rocks Circle to reduce their mileage allotments all round so as to be able to provide for the maintenance of certain ~~of the remaining~~ roads in the Sub-Division, which had not been provided for in the original Budget.

14 In obedience to G.O. no 436-39 dy 17-9-03 & 11-6-04 the Dy: Comr now submits, at the instance of the Board, a statement showing the revised mileage allotments for all the roads in the Sub Division, and solicits sanction thereto as also to the Board's proposal of raising the provision under

Letter no 221 dy 3.9.04 sent no 4 in 5-04 Sl no 4 of LB 63-1900.

under "A. IV Tools & plant" in the current year's D.F. Budget.

Submitted for orders with a draft & a comparative statement showing the mileage rates for the different roads as suggested by the 2nd Committee and as proposed by the Board.

(Draft Passed by the Committee vide G.P. no 7705-8 dt 19.11.01, C.F. 5-01

In the District Fund Budget for the current year (1902-03) the President provided for the repairs of roads at the original rates instead of at the reduced rates sanctioned in the above order of the 19th November 1901. The provision (Rs 2415 + establishment charges of Rs 423/-) was however disallowed when passing the Budget. (vide para 5 of the order G.P. no 15151-8 dt 14.12.02, C.F. 1-02)

The President's proposition

the Board was well able to provide for the increased mileage allotment without reducing the working balance at the end of the year, and solicited sanction to the amount disallowed being renewed in the Supplemental Budget (Letter no 277 dt 3.10.02)

17 Sanction was therefore accorded in G.O. no 922 D-29/2 dt 2nd Decr 02

18 At the instance of the Board, the President now requests that the two D.F. Roads Seringapatam Chennarayapatna and French Rocks Chatram Nelligere Roads which are both reference at the time and are still of sufficient importance to be classed as such, may be transferred to P.W.D for being maintained out of Provincial Funds.

Letter no 738 dt 20.2.03

The Board considers this transfer "a very urgent and necessary relief to enable them to be efficient for accomplishing the purposes for which they

The Chairman requested that at least a temporary [illegible] for about 5 years [illegible]:

The ~~Board~~ Budget provisions for the repairs of these two roads are — Rs 5550/- at the rate of Rs 150/- a mile for Srikakulam - Chicacole - Vizagapatam Road, and Rs 4375/- at Rs 125/- a mile for the French Rocks Station - Nellimarla Road. These provisions are in accordance with the increased rate sanctioned in G.O. No 9225. 29th/- dt 2nd Dec 1902. 17.6.02

The financial condition of the Board according to the Supplemental Budget (pending sanction in office) is given hereunder :-

(1)	Receipts —	42,681
(2)	Opening balance —	10,475
	Total =	53,156
(3)	Expenditure —	44,266
(4)	Closing balance =	8890 which is less than the prescribed minimum by Rs 1710.

Please see para 5 of the office note.

recommended that the two Roads now proposed to be transferred to State Funds as also the Bhadrak - Kuliana Road might be maintained from Local Funds General as a temporary measure on the ground that their transfer to P. W. D. Budget might be detrimental to other class of works

This ground has been transferred to the P. W. D.

Libnelled for orders. The usual provisions have however been made for the Maintenance charges of these two roads in the D. F. Budget for 1903-'04 since received in office, and as according Dm J 3/3/03 to the Budget for 1903-04 the Closing balance is Rs 10,75,21, there seems to be no immediate necessity of transferring the 2 roads for maintenance either to Local Funds GL or to D.P.W. The President's attention may therefore be drawn to the orders already conveyed in para 2 of above Pro: 436-39 x of 11th July 1901 L. 171-98 with the observation that this reference should not have been made to Govt

In view of the correspondence which has already taken place on the subject I am not prepared to make a recommendation favourably on the relief asked for but do not deem myself called for - I agree ~~to the draft~~ that the Board may be informed that I am not prepared to accede to their request - I don't think we need assign any reasons - A.

of his proposal being submitted to Government for granting the Board this very urgent and necessary relief to enable it to be efficient for accomplishing the purposes for which it exists. At least a temporary transfer for about five years would be an immeasurable relief and the Board believes that it may be able to take back the roads at the end of that period without much inconvenience to itself.
